Alfresco kitchens

Built-in barbecues

Freestanding barbecues

BUILT FOR OUTDOOR ENTERTAINING

With over 30 years of experience, we understand that our customers have differing needs when placing their BeefEater barbecue. For those wanting flexibility to move the barbecue around their outdoor area we offer a comprehensive range of stylish freestanding barbecues.

Other customers want their barbecue built into a more permanent outdoor living area and we cater for them with our collection of built-in barbecues, doors and drawers.

And BeefEater are also proud to be at the forefront of the evolving Outdoor Kitchen market with our range of purpose-built modules complete with sinks and fridges for unrivalled style.

Folding trolley for easy transportation with rainlid, handle and folding side shelf included

Clubman Mild Steel Freestanding BBQ

BARBECUES

Clubman Stainless Steel Freestanding BBQ

Spicy mango barbecue pork chops

Serves 6

Ingredients

- 2 tbsp. curry powder
- 1 cup mango chutney
- ¼ of a pineapple peeled
- ½ bunch coriander washed
- Juice and zest of 1 lemon
- 8 tbsp olive oil
- 6 pork chops

Method

To make the paste, place all ingredients except for meat into a food processor (or mortar) and process into a paste.

Massage paste into the meat and let it stand for 10–20 minutes, or overnight for a deeper flavour.

Preheat BeefEater barbecue and cook meat on medium heat until it is cooked through (approx. 10 minutes on each side).

Rest meat for 5–10 minutes before serving.

Chocolate and macadamia nut brownies

Serves 6

Ingredients

- 125 grams unsalted butter
- 100 grams dark chocolate
- 220 grams caster sugar
- ½ cup (125ml) hot water
- 3 teaspoons espresso coffee
- 40 grams cocoa powder
- 45 grams plain flour
- 85 grams self raising flour
- 100 grams macadamia nuts, crushed
- 1 egg, lightly beaten

Method

Heat BeefEater barbecue to 160°C. Combine butter, chocolate, sugar, coffee, hot water in heatproof bowl. Place bowl over saucepan of simmering water and stir until sugar dissolves.

Remove bowl from pan and stir through cocoa, both flours and macadamia nuts. Whisk to smooth mixture. Allow mixture to cool slightly then stir through egg.

Line baking tray with teflon liner and pour brownie mixture in. Bake with lid closed on BeefEater barbecue for approximately 25 minutes or until a skewer inserted into brownies comes out clean.

Once cool, cut and serve.

Alfresco Kitchens

TAKE OUTDOOR TO THE NEXT LEVEL

Whether you're a serial entertainer, or the occasional Sunday meal host, our vast range means we have the right stylish, premium outdoor kitchen for you.

Design and choose all the elements of your BBQ kitchen for luxury outdoor grilling & effortless entertaining.

Fridges

BeefEater’s range of outdoor bar fridges have the power to keep your drinks perfectly chilled on even the hottest days.

- 1. Designed for outdoor use, the BeefEater cabinet has been tested to 43°C in the shade and has a 304-grade stainless steel finish, making it ideal for usage even in a harsh climate.
- 2. The insulated and heated double glazed glass doors allow you to see all of your drinks at a glance while the heated door prevents condensation for even better visibility.
- 3. IPX4 rated – the cabinet is protected against splashes of water for at least 5 minutes, making it perfect for use within a built-in outdoor kitchen.
- 4. The external electronic controls allow you to set the temperature for your cabinet at the touch of a button, with a temperature range of 0°C - 10°C.
