

Broil King®

2025 GRILLING CATALOGUE

Our Passion Lies Within Our People

Our dedication to build the very best in quality performance grills reflects the exceptional team behind the brand. Our story begins in 1906, with a vision of quality and desire for excellence. With a focus on the grilling industry for the past 35 years, Broil King® stands for performance, durability and creating great grilling experiences for our customers.

Our passion has always been to build lasting relationships with our customers by providing quality products backed with great service.

With manufacturing facilities in Huntington Indiana, Dickson Tennessee, and Waterloo Ontario, we are able to design, manufacture and distribute North American-made grills in over 50 countries.

We are a family that loves to grill and it shows in every barbecue we build here in North America.

Our vision is plain and simple: **Great Barbecues Every Time.**

As Broil King® continues to be a family-owned and operated company, we hope that you are as proud to own a Broil King® as we are to make them.

Power and Performance for Great Flavour

Broil King's legendary cooking system is designed to maximize heat retention and vapourize juices to infuse great flavour.

1. Flav-R-Cast™ Grids

The deep inverted "V" design vaporizes juices and transfers conductive heat for a perfect steakhouse sear.

2. Flav-R-Waves™

Made from durable stainless steel, the Flav-R-Waves™ evenly distribute infra-red and convective heat and maximizes vapourization of juices.

3. Dual-Tube™ Burners

Powerful tube-in-tube side ported burners provide unmatched high to low performance with exceptionally even heat.

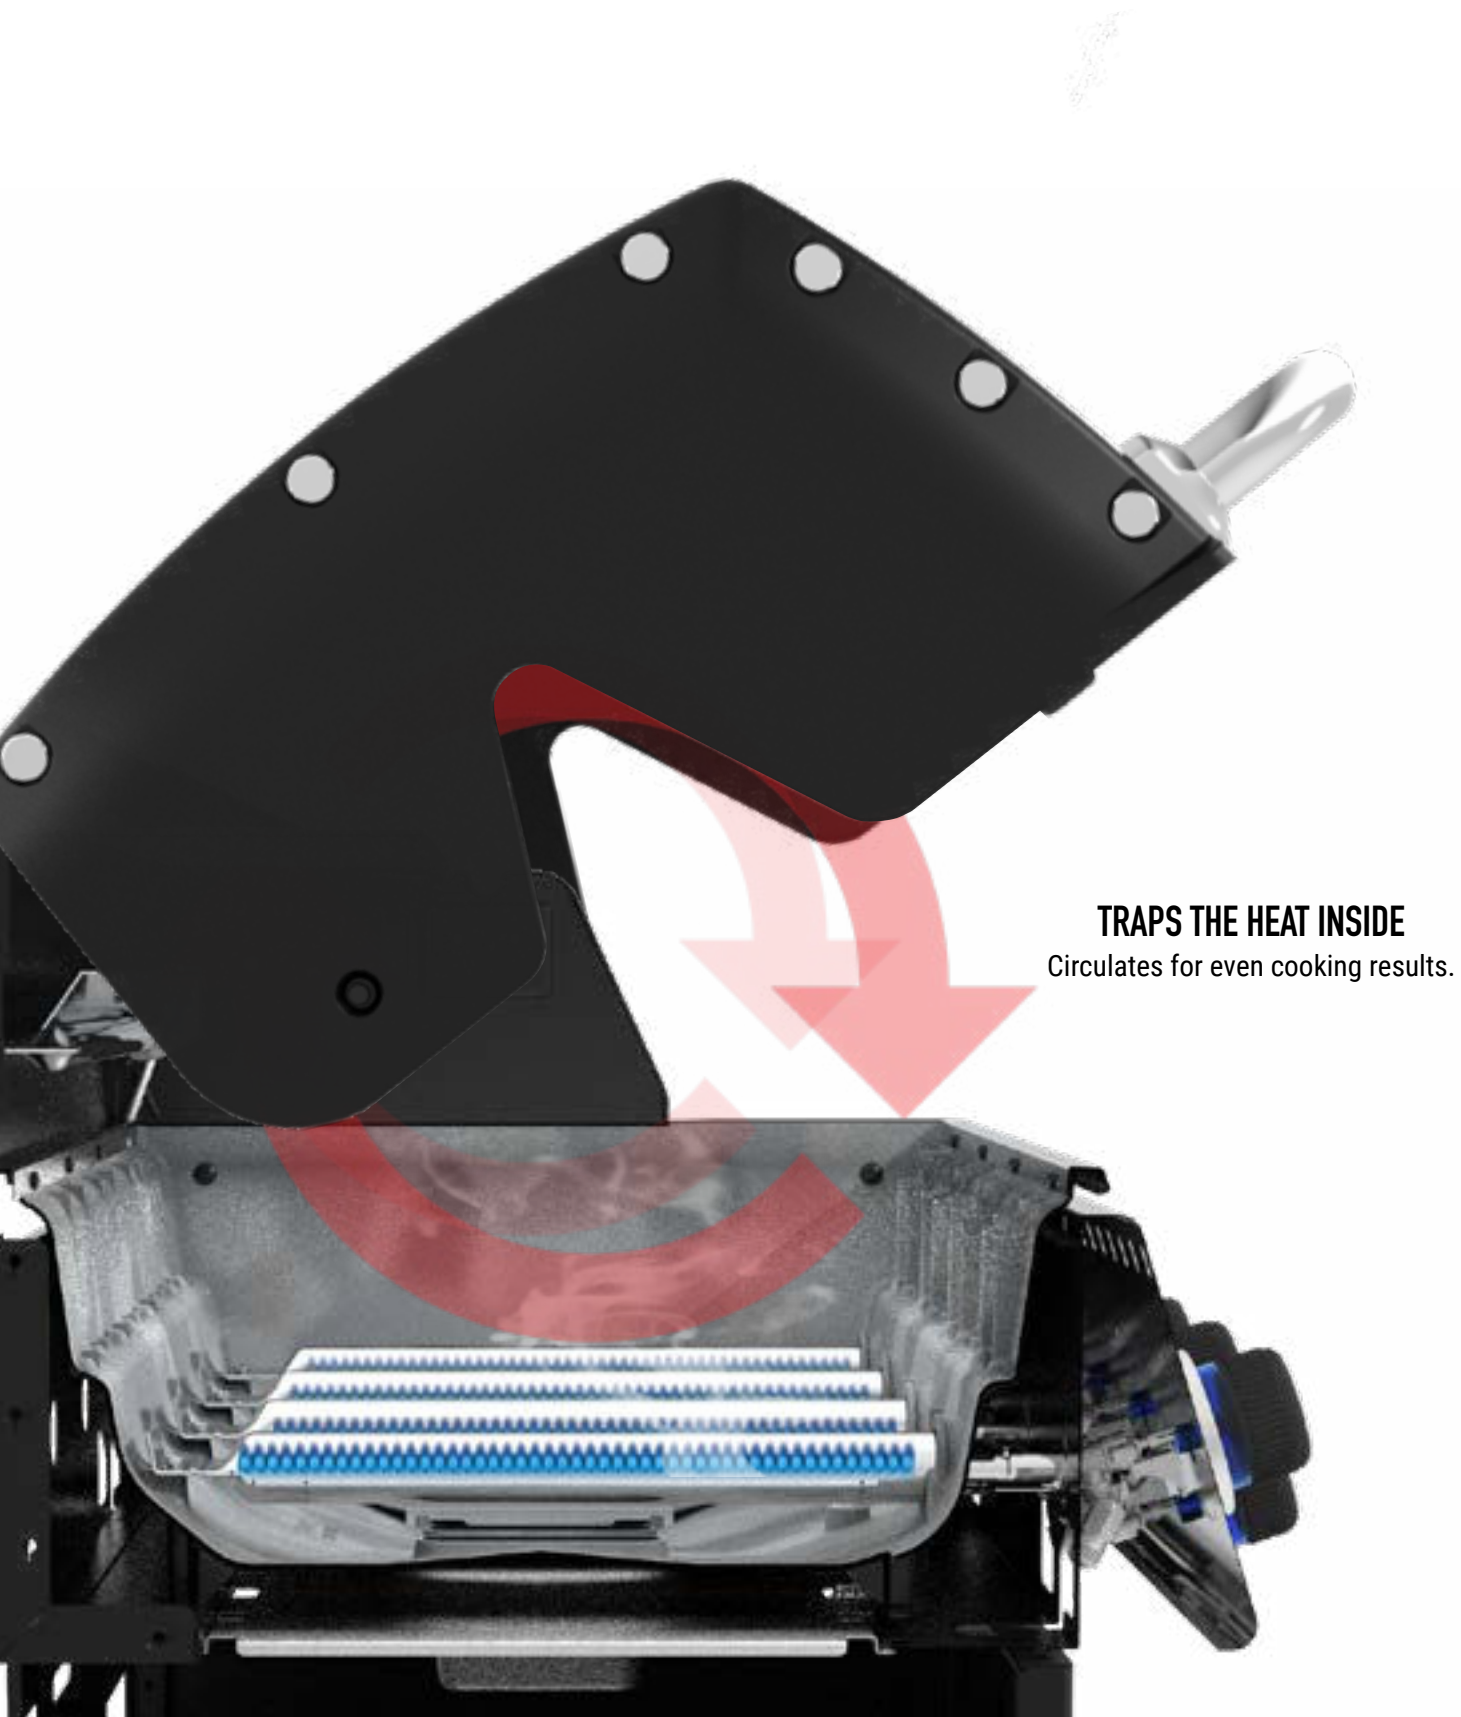

4. Thermo-Flow™ Cook Box

The enclosed cook box design with restricted air vents retains heat for the most fuel-efficient grilling...lid up or lid down.

Thick and Durable Cookbox for Amazing Heat Retention

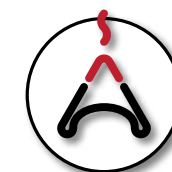

Made from die-cast aluminium and high-grade stainless steel, these durable cookboxes provide excellent heat retention and long lasting durability. The cookbox is designed to ensure even heat and heat retention for precise control.

TRAPS THE HEAT INSIDE
Circulates for even cooking results.

Flav-R-Cast™ Iron Cooking Grids

Standard on all Regal™, Baron™, Crown™, Royal™, Gem™, Porta-Chef™, Pellet and Smoke charcoal grills, these cooking grids are tightly spaced and shaped to deliver excellent heat retention and exceptional searing power to lock in juices and flavour. The Flav-R-Cast™ iron grids have two sides: one side is pointed to concentrate heat for those perfect steakhouse sear marks while the other side has grooves for continuous basting.

POINTED SIDE
Steakhouse sear marks

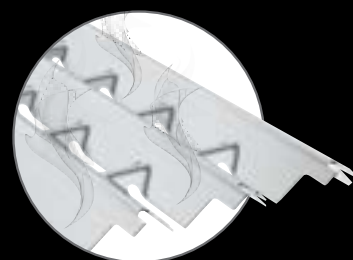

GROOVED SIDE
Bastes in flavour

The Flav-R-Wave™ Cooking System Infuses Great Flavour into Your Food

The stainless steel Flav-R-Wave™ cooking system provides superior heat distribution across the entire surface of the grill while protecting the burners. Drippings that fall onto the Flav-R-Wave™ are instantly vaporized. Vapour created through this process infuses into your food for unmistakable barbecue flavour.

GREAT BARBECUE FLAVOUR

Vaporized juices infuse into your food

EVEN HEAT DISTRIBUTION

Covers the entire cookbox area

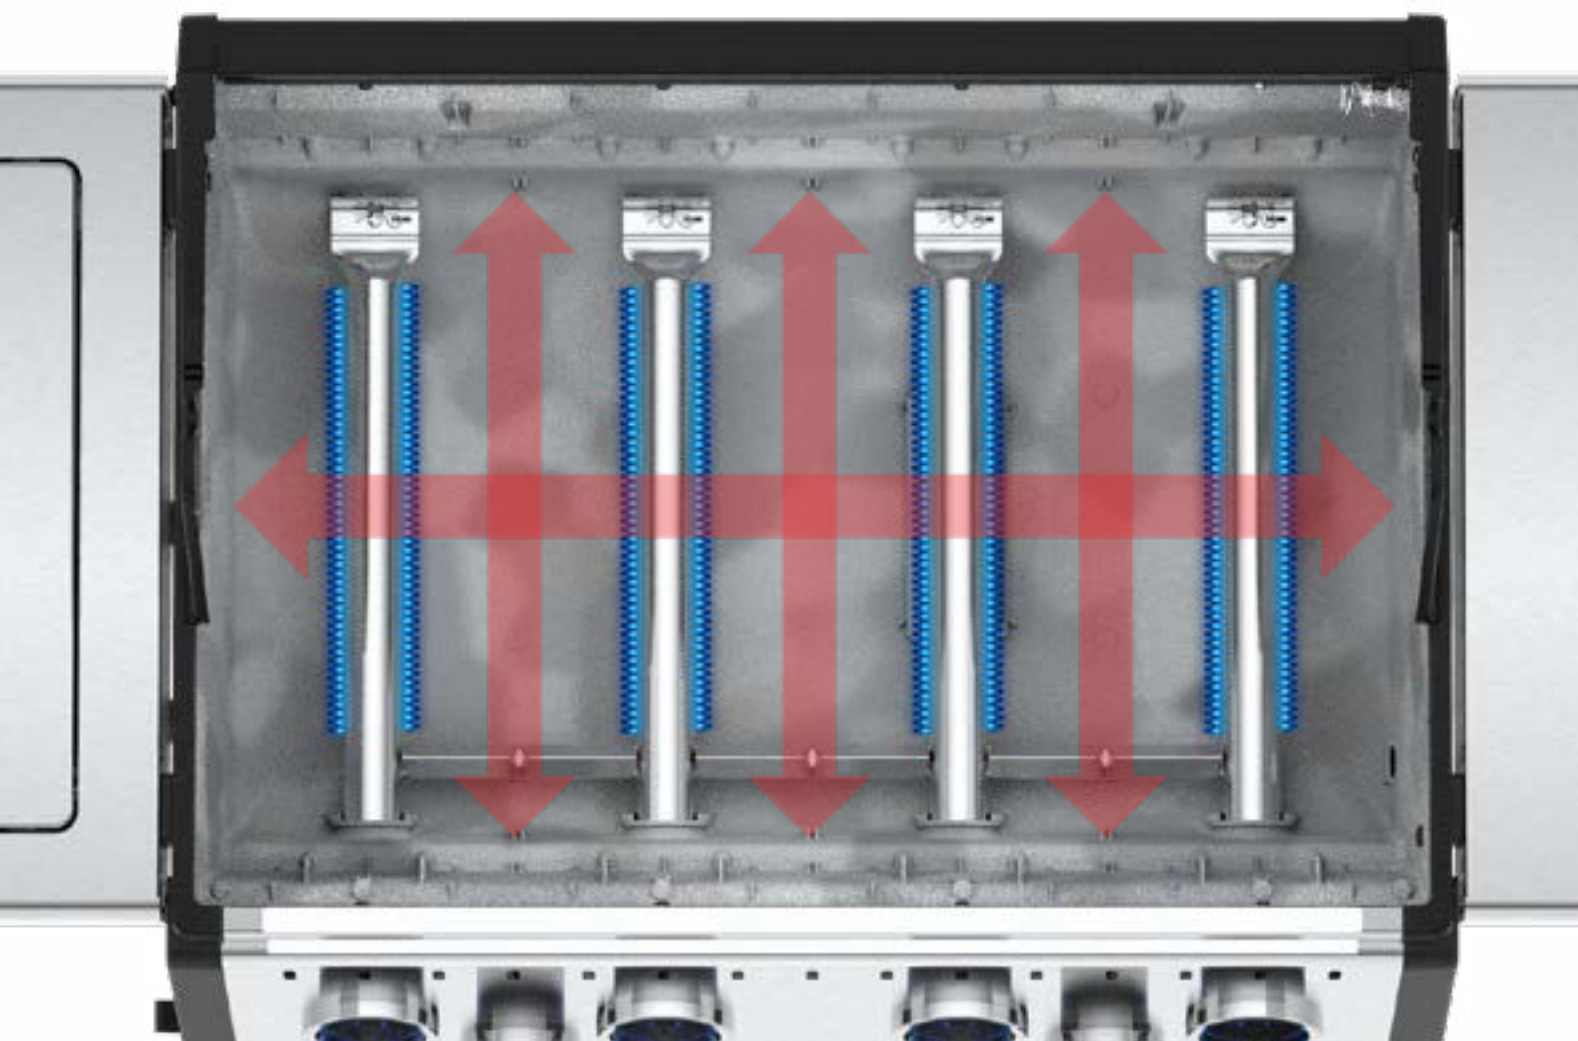

WHY BROIL KING?

Watch our Flavour story video to find out
how our barbecues are Made For Flavour!

Patented Dual-Tube™ Burners Means Twice the Flame for Twice the Performance

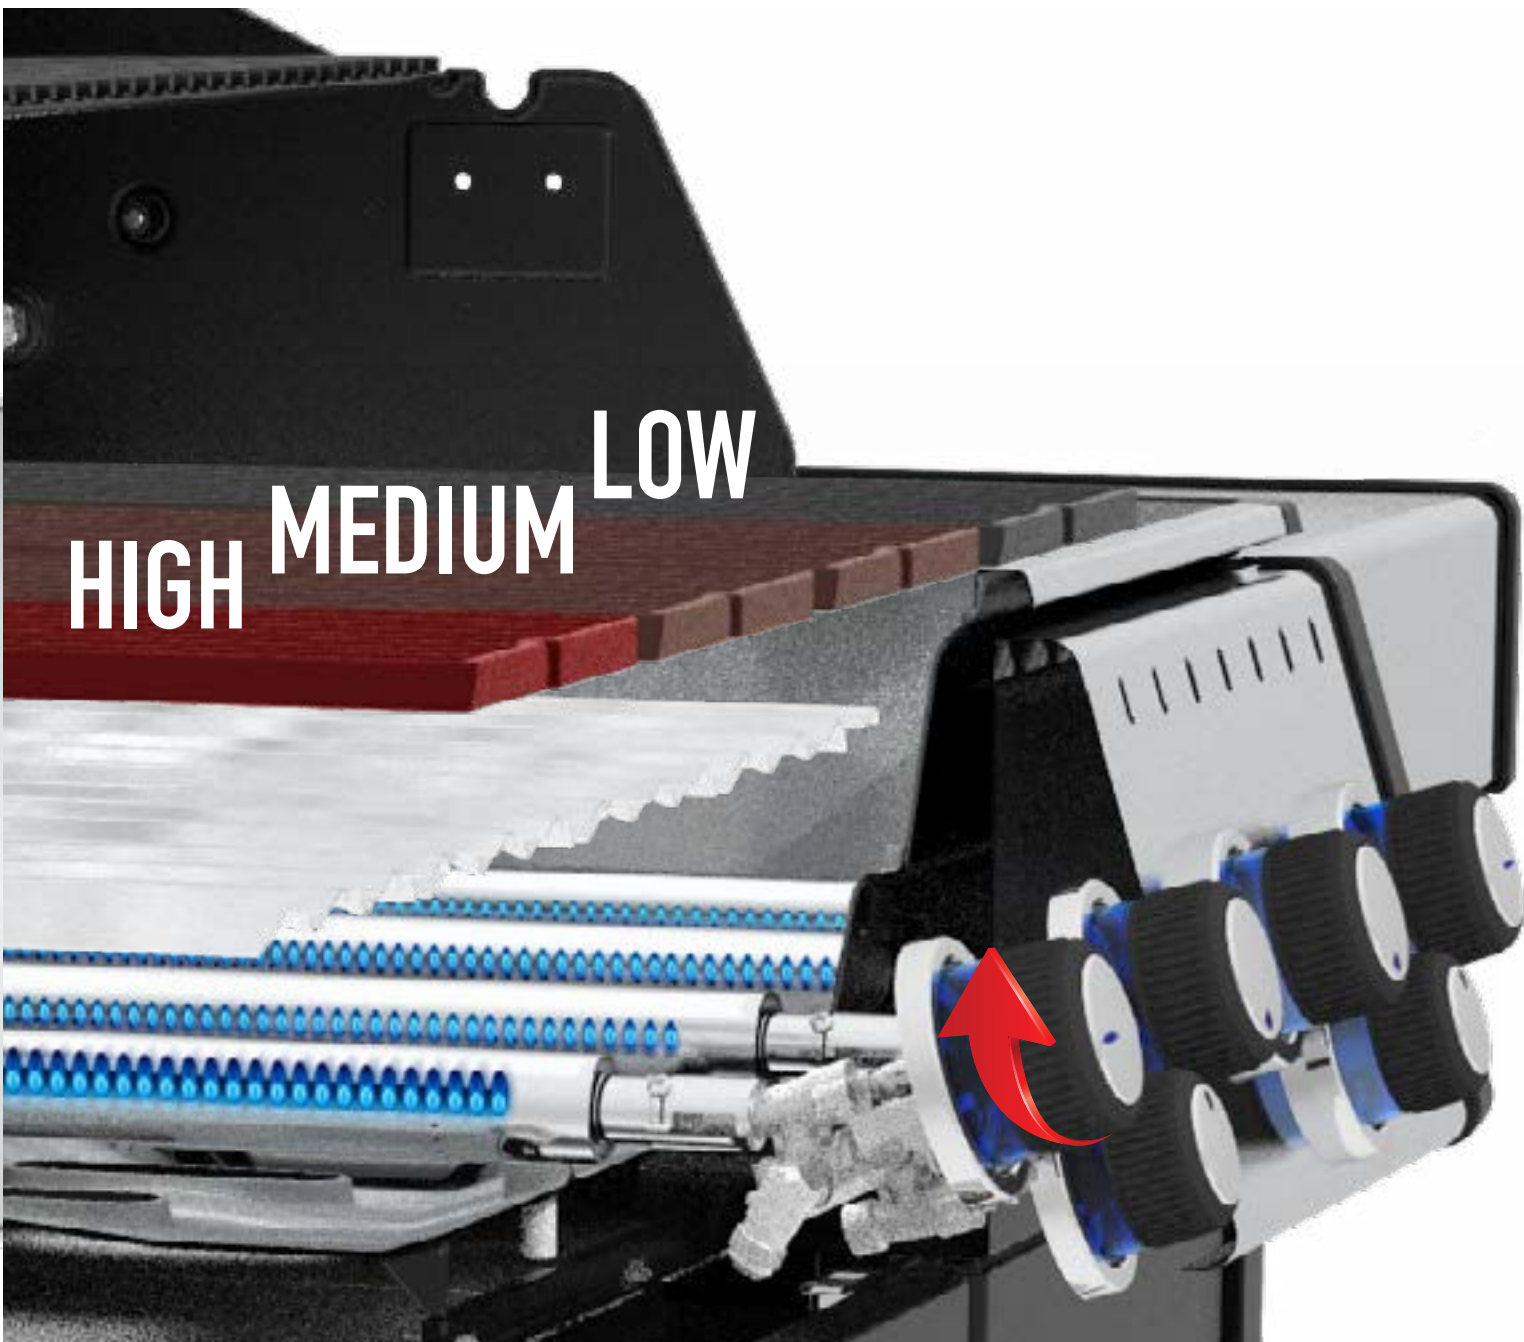

Broil King's patented Dual-Tube™ burners are made from high quality, heavy-duty stainless steel. These large diameter, tube-in-tube side-ported burners provide even heat distribution (front to back and side to side) with two rows of flame per burner. Standard on all Regal™, Baron™, Crown™ models.

2 ROWS OF FLAME PER BURNER
Even heat ~ front to back and side to side

180 Degrees of Temperature Control for Perfect Grilling Results

Linear-Flow™ valves with 180 degree control knobs give you infinite heat control allowing you to set your grill to the perfect temperature for searing, roasting, or slow cooking.

CROWN™

Designed for performance, versatility and great value. The Crown™ series offers performance and versatility with a contemporary look. Broil King's cooking system features Flav-R-Cast™ Iron cooking grids to sear the perfect steak. They can also be angled to channel excess juices away and avoid any flare-ups. The stainless steel Flav-R-Wave™ vaporizes juices and infuses them back into your food for great flavour. Powerful side-ported dual tube burners provide twice the amount of heat per burner. The versatile Crown™ series is designed for performance and great value.

63946 Pellet Scoop

Stainless steel, resin handle
Graduated scoop base
Integrated sifter removes dust
35.5 cm x 12.2 cm

Smoke Master's Blend
Maple | Hickory | Cherry

A selection of pellets popular with competition BBQ champions. This blend offers hints of sweetness combined with a full bodied hickory smoke. Adds a well-balanced smoke taste to grilled foods. Try with beef, poultry and pork.

Griller's Select Blend
Maple | Oak | Cherry

This pellet blend offers a lighter and slightly sweet smoke, designed to not over-power natural flavours. A great choice as an everyday grilling pellet. Try with beef, poultry, pork, fish, vegetables and pizza.

Hickory
Hickory

The most iconic BBQ flavour. Hickory offers a strong smoke taste, often associated with bacon or smoked ham. This robust smoke works well with large cuts of meats. Try with beef, poultry, pork and hearty vegetables.

Mesquite Blend
Mesquite | Oak

Experience southern smoke house aroma with spicy and tangy undertones. Mesquite pellets add exceptional flavour to whatever you throw on your grill. Try with beef, wild game, lamb and pork.

Apple Blend
Apple | Oak

A selection of pellets popular with competition BBQ champions. This blend offers hints of sweetness combined with a full bodied hickory smoke. Adds a well-balanced smoke taste to grilled foods. Try with beef, poultry and pork.
